

To Judge William Smith or Magistrate Almon,

My name is Gerald J. Silva. I was before your Courts in 2014. I was recently released from prison and I am in total defiance of my conditions of release, including reporting to Probation, due to my rejection of those conditions.

Probation failed to initiate an arrest warrant for my defiance. Since I have no intentions of complying with those conditions and your Courts have declared me to be a "threat to society", I am seeking an immediate hearing with either Judge → Today!

Thank you for your time and immediate attention to this matter.

Sincerely,

Gerald J. Silva
